James Roday Rodriguez Net Worth in 2026

As of 2026, **James Roday Rodriguez's net worth is estimated to be around \$10 million.** That figure is based on his long television career, franchise value from *Psych*, directing work, writing credits, and later acting projects.

What makes his financial journey interesting is that it wasn't built through one giant blockbuster payday. Instead, it came from consistent work over many years, which often creates stronger long-term stability.

How James Roday Rodriguez Makes His Money

James Roday Rodriguez earns money from television acting, directing, writing, producing, and likely residual income from older projects. His biggest earnings came from starring in *Psych*, where he remained the face of the franchise across the original series and later movies.

He also expanded behind the camera, which helped him build a more stable and respected career in Hollywood beyond acting alone.

How Much Did James Roday Make From *Psych*?

The honest answer is simple: **his exact salary from *Psych* has never been officially confirmed.** Some websites claim he earned around \$60,000 per episode, but there is no strong public source that fully verifies that number.

So the safest and most trustworthy way to say it is this: James Roday Rodriguez likely earned a strong lead-actor TV salary from *Psych*, but the exact per-episode amount is not publicly confirmed.

Career Journey

Before *Psych*, James Roday Rodriguez worked through theatre, smaller acting roles, and early screen appearances. His big breakthrough came in 2006 when he landed the role of Shawn Spencer.

That role turned him into a fan favorite and gave him long-term visibility in television. Later, his role in *A Million Little Things* showed a more serious and emotional side of his acting range.

James Roday Rodriguez and Maggie Lawson

James Roday Rodriguez and Maggie Lawson were in a real-life relationship for several years, and fans loved them because of their chemistry on *Psych*. However, they were **never married**.

That's important because many people still search whether they were husband and wife or whether they divorced. The direct answer is no — they dated, but they never got married.

Is James Roday Rodriguez Married in 2026?

As of 2026, there is no verified public confirmation that James Roday Rodriguez is married. He keeps his personal life fairly private, which is why rumors continue to appear online.

Did James Roday Rodriguez Have a Heart Attack?

This topic is often misunderstood online. James Roday Rodriguez has discussed past heart-related health issues and surgery, but many internet claims oversimplify the story.

The more accurate answer is that he has spoken publicly about serious heart-related medical concerns in the past, and he later continued working actively in television and film.

Why Did James Roday Change His Name?

He originally worked professionally as James Roday, even though his full name is James David Rodriguez. Later, he chose to publicly reclaim Rodriguez as part of his professional identity.

That decision was meaningful because it reflected his heritage more honestly and showed a stronger connection to who he really is.

James Roday Rodriguez Ethnicity

James Roday Rodriguez is of mixed ethnicity. His father is of Mexican descent, while his mother has English, Irish, and Scottish ancestry.

Age and Height

As of 2026, James Roday Rodriguez is **50 years old**. He was born on April 4, 1976, and is widely listed at around **5 feet 10 inches** tall.

Final Thoughts

James Roday Rodriguez has built a lasting career through talent, consistency, and versatility. From *Psych* to *A Million Little Things*, he has remained a respected figure in television.

If you're searching for the short answer: **his estimated net worth in 2026 is around \$10 million**, and most of that success comes from his long-running TV work, creative projects, and steady industry presence.
